REQUIRED ATTACHMENTS

As required by the Unit Modification Policy, the following are included with this application. Check each line.

- ☐ A design plan with detailed drawings, photographs and/or specifications and all measurements for the proposed Work, proportionate to the work. Stamped engineering or architectural drawings only where the Work is structural, affects load-bearing walls or Project systems, or the Board reasonably requires them.
- ☐ Copies of any required County or SMA permits (Categories 2 and 3). The contractor obtains permits; the owner verifies they have been obtained before work begins.
- ☐ Evidence of the contractor's liability and workers' compensation insurance for all installers and sub-contractors, in amounts set by the Board; the Board may require the Association be named as an additional insured. (Categories 2 and 3 only.)
- ☐ Performance and Completion Bond equal to or greater than the total cost of the work (if required by the Board).

☐ Contractor license number(s) provided above.

I represent to the Association that I have supplied all contractors/workmen a copy of the Unit Modification Policy and have explained other House Rules governing such activities. I understand that the Board may require a deposit as part of this Application.

INDEMNIFICATION (Categories 2 and 3). As a condition of Board approval, I agree to indemnify, defend and hold harmless the Association, the Board, the managing agent and the Resident Manager against any claim, action or liability arising out of or relating to the approved Work, including work by my contractors, agents or invitees.

☐ I have read and agree to the indemnification above.
