Board Email Votes — Expenditure Summary

Supporting document for Agenda Item 6.2 — Ratification of Board Actions Taken by Email Vote

Board of Directors Meeting · July 23, 2026

Compiled by Dave Rapp, Director, from the Board's email votes.

The following expenditures were approved by the Board of Directors through email votes conducted between meetings. Each item received the unanimous approval of the Directors. This summary is provided to acknowledge and ratify these actions and to document the expenditures in the minutes of the July 23, 2026 meeting.

Date	Item	Amount
March 31, 2026	Removal of storm-damaged Kiawe tree behind the south cooling tower (Pure Life)	\$2,774.87
April 6, 2026	Installation of chlorine feeders, replacing manual liquid chlorine and floating tab floaters	\$1,970.00
May 21, 2026	Final approval of Option 1 property insurance proposal (annual premium) *	\$221,731.02
May 21, 2026	Lawn dethatching and restoration, Buildings D & E	\$2,650.00 + GET
May 22, 2026	Approval of requested exterior shade installation, Unit D102 (owner alteration)	No AOA cost
June 25, 2026	Removal of Royal Palm by Building F and plumeria tree trimming (Pure Life)	\$4,712.04

** Option 1 property insurance — Total Insurable Value \$72,369,299 (replacement cost, including roofs); AOP deductible \$25,000; hurricane deductible 2% of TIV of damaged structures (\$50,000 minimum); flood and earthquake coverage each with a \$100,000 sub-limit.*

Each of the items above was approved by unanimous email vote of the Board. No further expenditure is authorized by this document; it serves only to memorialize actions already taken.
